A.B.T Growth Report

The progress trends over time report shows the students' progress over the last two or three years based on the starting point up to the last attainment point.

The Growth Report is only available for students who have completed the ABT assessments for at least two or three years.

The report shows the progress trends over time from the end of the year to end of the year including the skills.

Starting point

Better than expected progress	More than 5% improvement
The Expected progress	Between 5% regression and 5% improvement
Below expected progress	Regression more than 5%
